Dear Mr. Brennan:

It is a pleasure to commend you for the outstanding manner in which you performed in writing, editing and organizing the report and brief occasioned by the assassination of the President and to advise that in recognition thereof I have approved an incentive award for you in the amount of \$200.00. The check for \$164.00 which is enclosed represents this award less withholding tax.

You were the key figure in the preparation of these two involved and difficult projects and the fact that they were expeditiously completed can be attributed largely to the extremely capable manner in which you carried out your numerous responsibilities. You extended yourself to the very limit in your determination to handle these assignments to the best of your ability and the results of your efforts are indeed exceptional. The dedication to your work, efficiency and competence you exhibited were superior and I want you to know of my appreciation.

Dear Mr. Hoover:

I am pleased to express the appreciation of the U. S. Army Intelligence School for the lecture recently presented at Fort Holabird by Mr. Charles D. Brennan concerning "Subversive Activities."

Mr. Brennan thoroughly acquainted the members of our Senior Foreign Officer Intelligence Course with the history, organization and role of the Communist Party in the U. He presented a clear and concise picture of Communist Party activities in the United States with emphasis on its methods of operation in the field of subversion. The speaker's interpretation of past activities and predictions of future events displayed keen knowledge and extensive research.

Dear Mr. Hoover:

I have just returned from a pleasant period of holiday leave with my family and want to acknowledge your commendatory letter of December 19, 1963, in which you advised me that you had approved an incentive award for me in the amount of \$200. **QUALITY SALARY INCREASES
INVESTIGATIVE PERSONNEL
DOMESTIC INTELLIGENCE DIVISION**

Mr. Sullivan has recommended seven agents from his division for Quality Salary Increases in connection with the submission of their 1964 annual performance reports. These are in addition to 11 Outstanding ratings which have been recommended for investigative personnel in this division. These men were rated excellent or outstanding on all of the more important items in their current performance reports and received over-all adjective ratings of Excellent. Mr. Sullivan in justification certified that they have performed the most important functions of their positions in a manner which substantially exceeds the normal requirement; their work has been highly effective, this exceptional high level of effectiveness has been sustained during the rating period and is expected to continue indefinitely; and when viewed as a whole, their performances merit a faster than normal salary advancement.

In addition to the foregoing, they are completely available and their overtime has been satisfactory. There follows additional specific comments regarding each for the past year.

SA George W. Abernathy - EOD 7-11-49, GS 14, \$14,965. Received one incentive award.

SA Charles E. Brennan - EOD 4-10-48, GS 14, \$14,965. Commended twice, received one incentive award and received Quality Salary Increase 5-12-63 for sustained superior performance during prior year.

SA Richard D. Cotter - EOD 4-10-48, GS 14, \$15,415. Censured 7-3-63 for failure to detect error in letter prepared by him. Commended twice and received Quality Salary Increase 4-23-63 in recognition of Outstanding 1963 annual performance rating.

SA James J. Dunn, Jr. - EOD as SA 6-28-54, GS 14, \$14,965. Commended once.

SA Russell L. Garner - EOD as SA 7-25-33, GS 14, \$14,965. Commended once and once through his superior.

SA Seymour Fred Phillips - EOD as SA 3-10-46, GS 14, \$14,965. Commended twice.

SA Roy D. Simpson - EOD 7-20-42, GS 14, \$15,415. Censured 9-5-63 for typographical errors in correspondence he prepared.

Re: Quality Salary Increases

A careful review of information submitted, including the performance ratings and agents' personnel files, indicates that Quality Salary Increases are justified and would be more suitable recognition for their superior performances than cash awards under the Incentive Awards Program.

RECOMMENDATION:

That SAs George W. Abernathy, Charles D. Erennan, Richard D. Cotter, James J. Dunn, Jr., Russell S. Garner, Seymour Fred Phillips and Roy D. Simpson be approved for Quality Salary Increases effective 5-10-64.

During the course of the year I have made some organizational changes which are working out quite effectively. To further strengthen this Division and to improve the work, I would like very much to make changes in the assignments of the above-captioned Number One Men. I would like to assign Mr. Corman as Number One Man of the Research-Satellite Section under Section Chief R. W. Smith and Mr. Brennan as Number One Man of the Internal Security Section under Section Chief Fred J. Baumgardner.

My reasons for this are as follows: Mr. Brennan, who has consistently done remarkably fine work, has extensive experience in the field of communism from the standpoint of research and writing. He has capacity for assuming much greater responsibility in this area in which he is an authority. I have in mind using this superior capacity in operational matters in the field of communism and developing him in this direction. In the position of Number One Man of the Internal Security Section, he will have excellent opportunities to develop and to better serve the Bureau toward this end.

Mr. Richard Corman, who has served the Internal Security Section as Number One Man for some years, has done consistently sound work. He, in turn, will carry this extensive successful experience in operational matters to the Research-Satellite Section, which heretofore had been the Research Section, divorced from operational matters. This changed Section now incorporates men and work from both the Nationalities Intelligence Section and the old Espionage Section, with emphasis upon operational responsibilities in the satellite area which will benefit greatly from Corman's operational experience.

I have talked this matter over thoroughly with both Section Chiefs and they are unanimously in agreement that this

would be a very good administrative step which would strengthen these two Sections and, therefore, the Division.

That approval be given for me to reassign Mr. Richard W. Corman from Number One Man of the Internal Security Section to Number One Man of the Research-Satellite Section and to reassign Mr. Charles D. Brennan in his place.

INTERNAL SECURITY SECTION

DOMESTIC INTELLIGENCE DIVISION

(RECOMMENDATION FOR QUALITY SALARY INCREASE)

1-Mr. Belmont
1-Mr. Mohr
1-Mr. Callahan
1-Mr. Sullivan
1-Mr. Baumgardner

It is recommended that SA Charles D. Brennan be afforded a quality salary increase in view of his continued display of high-quality performance over a sustained period of time. Mr. Brennan was Number One Man to the Section Chief of the Research Satellite Section, Domestic Intelligence Division, until 1-24-64 when he was designated as Number One Man to the Section Chief of the Internal Security Section, Domestic Intelligence Division. As the Number One Man, he shared in the over-all administration of the Sections. He made assignments to supervisors, conferred with them concerning matters of policy on a day-to-day basis and made decisions concerning research matters and investigations being supervised in the Sections. The Internal Security Section is supervising a number of the Bureau's most sensitive and confidential operations in the security field, and Mr. Brennan's broad knowledge of communist matters has enabled him to perform in an above-average manner as Number One Man of the Section.

Mr. Brennan has consistently displayed an outstanding attitude and has been outstanding in his resourcefulness, judgment, initiative, industry, productivity, knowledge of duties and investigative and executive ability. He has performed in a superior manner in all areas of his responsibilities. His work has been highly effective, has been sustained over a long period of time, and based on his over-all past record will continue indefinitely. There is attached an annual performance rating which comments more fully on the performance of Mr. Brennan during the rating period.

When viewed as a whole, Mr. Brennan's performance merits faster salary advancement, and this quality salary increase is more suitable than a cash award for superior performance under the Incentive Awards Program.

RECOMMENDATION

That Mr. Brennan be granted a quality salary increase.

PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee Charles D. BrennanTitle Special Agent, GS-14Rating Period: from 4/1/63 to 3/31/64

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared. Rate items as follows:

+ Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
○ No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

- "Outstanding" adjective rating requires (A) that all rated elements be "+" and (B) that each and every rated element be factually justified by narrative detail on reverse of Form FD-185.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An "official" adjective rating of "Unsatisfactory" must comply with the requirements described on the reverse of form FD-185.

Mr. Brennan carries out his administrative duties in a superior manner. He plans his work effectively and organizes and directs personnel efficiently and enthusiastically. Mr. Brennan is an industrious and productive worker and operates effectively under pressure.

A particularly valuable asset is Mr. Brennan's broad knowledge of the communist field. He uses this knowledge effectively in his speaking and writing assignments. In connection with his speaking assignments on the subject of communism, correspondence has been received from persons outside the Bureau describing the excellence of his presentations. In this connection, he has been described as "a splendid example of an agent of the FBI."

The Director has recognized Mr. Brennan's accomplishments on a number of occasions. By letter of April 3, 1963, Mr. Brennan was commended for his impressive performance while participating in a number of Americanism-Communism Seminars held in the Cincinnati Division. The Director's letter of May 7, 1963, advised Mr. Brennan that he had been granted a within-grade salary increase in view of sustained above-average performance during the previous year. By letter of December 19, 1963, Mr. Brennan was commended for the outstanding manner in which he performed in writing, editing and organizing the report and brief occasioned by the assassination of the President. In this connection, Mr. Brennan was granted an incentive award in the amount of \$200. In addition, Mr. Brennan was extended the thanks of the Director for work performed on November 25, 1963, in connection with the emergency occasioned by the assassination of the President.

RDB

Mr. Brennan is fully capable of handling the most complex investigative assignments and of participating in dangerous assignments, including raids. He has no physical limitations affecting his availability and is completely available for any Bureau assignment.

Since January 24, 1964, Mr. Brennan has been assigned as the Number One Man to the Section Chief of the Internal Security Section. In this capacity, Mr. Brennan shares in the administration of the Section. He makes assignments to the Supervisors, confers with them concerning matters of policy on a day-to-day basis and makes decisions concerning investigations being carried on in this Section. The Internal Security Section is supervising a number of the Bureau's most sensitive and delicate operations in the security field. As a result of his extensive knowledge of communism, Mr. Brennan has rapidly assimilated his new duties. He has ably demonstrated he possesses administrative ability by acting as Section Chief in the absence of the Chief of the Section. During these occasions, he has kept the Section operating at a high peak of efficiency. During the short time he has been in his present position, he has progressed in a most satisfactory manner.

Mr. Brennan is an excellent dictator, is interested and enthusiastic and has equitably shared in the workload of the Internal Security Section. He is well within the required weight limit.

Based on the above comments, Mr. Brennan is entitled to the adjective rating of Excellent in GS-14.

Mr. Sullivan has recommended the following five agents from his division for Quality Salary Increases in connection with the submission of their 1965 annual performance reports. These are in addition to six Outstanding ratings which have been approved for agents in the Domestic Intelligence Division and ten other Quality Salary Increases which are being handled separately. These men were rated excellent or outstanding on all items in their current performance reports and received over-all adjective ratings of Excellent. Mr. Sullivan in justification certified that they have performed the most important functions of their positions in a manner which substantially exceeds the normal requirement; their work has been highly effective; this exceptional high level of effectiveness has been sustained during the rating period and is expected to continue indefinitely; and when viewed as a whole, their performances merit a faster than normal salary advancement.

In addition to the foregoing, they are completely available, their overtime has been satisfactory and no administrative action has been taken against them during the rating period. There follows additional specific comments regarding each for the past year.

SA Charles D. Brennan - EOD 4-19-48, GS 14, \$16,620. No commendations; received Quality Salary Increase 5-10-64 for sustained superior performance during prior year.

SA Daniel J. Brennan, Jr. - EOD 1-19-48, GS 15, \$18,170. No commendations.

SA Richard D. Cotter - EOD 4-19-48, GS 14, \$16,620. No commendations; received Quality Salary Increase 5-10-64 for sustained superior performance during prior year.

SA Arbor W. Gray - EOD 11-6-50, GS 14, \$15,640. No commendations.

SA Vinicio H. Nasca - EOD 8-19-46, GS 14, \$16,620. No commendations.

A careful review of information submitted by Mr. Sullivan, including the performance reports and agents' personnel files, indicates that Quality Salary Increases are justified and would be more suitable recognition for their superior performances than cash awards under the Incentive Awards Program. Mr. Edwards, who is in the third week of the Domestic Intelligence Division inspection, advised nothing has been found which would preclude these men from receiving special recognition.

RECOMMENDATION:

That SAs Charles D. Brennan, Daniel J. Brennan, Jr., Richard D. Cotter, Arbor W. Gray, and Vinicio H. Nasca be approved for Quality Salary Increases effective 5-9-65.

Dear Mr. Hoover:

Our Office of Training has informed me of the outstanding presentation made by Mr. C. V. Brennan of your Bureau on the subject of the Communist Party, USA, and its controlled organs. It is a pleasure to express my thanks to you for making Mr. Brennan available, and to Mr. Brennan for a stimulating, provocative, and most useful seminar. His obvious knowledge of the subject, his citations of specific examples, and his effectiveness as a speaker brought many favorable comments.

The program in which Mr. Brennan participated is offered semi-annually. His lecture was felt by many to be the highlight of the course. We hope that you will be able to make him available for participation in the future sessions.

Sincerely yours,

**CENTRAL INTELLIGENCE AGENCY
SEMINAR - COMMUNIST PARTY ORGANIZATIONS**

Reference is made to my memorandum dated September 28, 1964, and to approval granted for a representative from the Domestic Intelligence Division to speak to a group of intelligence officers from Central Intelligence Agency (CIA). The seminar was to deal with Communist Party organizations and operations throughout the world and the Bureau lecture was to deal with "Current Tactics and Objectives of the CPUSA." Mr. C. D. Brennan of the Internal Security Section spoke before the CIA group on November 12, 1964. You may be interested in the following which has been reported by the Liaison Agent.

Approximately fifteen of the CIA officers who attended the seminar personally contacted the Liaison Agent and were unanimous in enthusiastically characterizing Brennan's presentation as "most excellent." His thorough knowledge of the subject matter and the unusually tactful handling of all questions left a very favorable impression on all present.

The Liaison Agent, who was present at the seminar, has described Brennan's lecture as an ideal example of delivering an important message without in any way jeopardizing Bureau interests. To the contrary, Brennan's handling of this matter very significantly enhanced the Bureau's prestige in a thoroughly professional sense.

Dear Mr. Hoover:

Today I had the pleasure of hearing Special Agent Charles D. Brennan address a luncheon meeting of the Poor Richard Club of Philadelphia. There was considerable interest in Mr. Brennan's remarks in view of the recent developments in Russia and Red China, and the TV cameramen were all over the place taking shots of Mr. Brennan and the audience from all angles; however, this did not phase Mr. Brennan one bit, and he held the interest of his audience throughout his talk. In my opinion, Mr. Brennan did an outstanding job and I heard numerous favorable comments from those in attendance at the luncheon following Mr. Brennan's talk.

With best wishes and kind regards.

Dear Mr. Hoover:

I wanted you to know of the most effective presentation made by Mr. Charles D. Brennan of the Internal Security Section on October 1, 1964, at Marquette University in Milwaukee, Wisconsin.

The enthusiasm and attention which Mr. Brennan's message on communism evoked among this impressionable, youthful audience was readily apparent. Particularly gratifying was the obviously favorable impression he made among a segment of students so many of whom these days have adopted an attitude of skepticism toward the menace of alien ideologies.

It is my firm conviction that the FBI has a serious mission in this field, and your leadership in making speakers of this caliber available will inevitably have a constructive effect in the proper education of our youth.

I would be remiss if I did not tell you, also, that Mr. Brennan's remarks were received with equal enthusiasm by university faculty members and local civic leaders.

Sincerely yours,

Unity Called Defense Aid

One of the most effective defenses against Communist aggression is for the American people to maintain national unity and their religious beliefs, a Washington official of the FBI said here Thursday night. C. D. Brennan, an FBI inspector, spoke to students of the Marquette Political Union at Brooks Memorial Union. "National unity is one of our greatest needs," Brennan said. "This does not mean either uniformity or conformity, the dynamic interplay of ideas and values should go on with increasing vigor. The current dialog being developed between Catholics and Protestants is an example of unity of spirit that Christians have a responsibility to promote because of the very nature of their convictions about God. The attendance of non-Catholic Christian observers at the ecumenical council and the exchange of visits between Catholic and Protestant clergy and laymen are welcome steps of Christian unity in spite of honest differences. Equally welcome are the strong opposition to anti-Semitism and the significant emphasis being put on the Jewish origins of Christianity. We should also make it clear that the wide diversity of viewpoints, a natural byproduct of freedom, is not mistaken for a symptom of weakness. Actually, our diversity is one of our greatest strengths for it permits an interaction of differing views under our system of freedom under law."

Dear Mr. Hoover:

I wish to express the appreciation of the Military Assistance Institute for the cooperation and assistance offered by the following members of your staff:

Mr. William C. Sullivan
Mr. Arbor Gray
Mr. Joseph F. Gordon

For the past five years they have presented a lecture to ten classes each year and participated in a panel discussion on the subject of "Communist Philosophy and Objectives". I regret that, because of the press of their duties, they will be unable to continue such participation.

Without exception, their presentations have been presented in an outstanding manner and reflect the excellence of performance exemplified by the FBI.

The participation of the above individuals in our program has required a considerable amount of time and effort on their part in organizing and delivering the presentations, which have been of immeasurable benefit to the student officers of all the Armed Services who have been assigned to Military Assistance Advisory Groups and Missions world-wide.

While the enclosed Certificates of Appreciation represent a small token of our gratitude for the outstanding cooperation given by the individuals named above, I wish also to extend my thanks to Messrs. Fred Baumgardner, Joseph M. Sizoo and Charles D. Brennan, who substituted for the principals at various times.

Attached is the annual performance report for Charles D. Brennan covering his services from 4-1-64 to 3-31-65.

During the entire rating period as indicated by this rating, Mr. Brennan has performed the most important functions of his position in a manner which substantially exceeds the normal requirements and has regularly volunteered to handle additional work. His work has been of an unusually high quality and has been most effective. This exceptional high level of effectiveness has been sustained over a period of years, particularly during this rating period, is expected to continue indefinitely and when viewed as a whole his performance merits a faster than normal salary advancement. Under the circumstances, a quality within-grade salary increase appears to be more suitable recognition than a lump sum cash award under the Incentive Awards Program.

RECOMMENDATION:

That the attached performance rating be approved and that Mr. Brennan be considered for a quality within-grade salary increase in recognition of his sustained superior performance.

PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee Charles D. Brennan Title Special Agent
Rating Period: from 4-1-64 to 3-31-65

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

RATE ITEMS AS FOLLOWS:

- + Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
0 No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

- "Outstanding" adjective rating requires (A) that all elements be + and (B) that each and every rated element be factually justified by narrative details, including reasons for considering each worthy of Special Commendation and be attached to FD-185a.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An official rating of "Unsatisfactory" must be supported in writing stating (1) wherein the performance is unsatisfactory, (2) the facts of the (90-day) prior warning, and (3) the efforts made after the warning to help the employee bring his performance up to a satisfactory level and must be attached to FD-185a.

In carrying out his responsibilities, he shares in the administration of the Section. He confers with supervisors on matters of policy, makes assignments on a day-to-day basis and makes decisions concerning the investigations being supervised in the Section. A number of the Bureau's most sensitive and delicate operations are being handled in the Internal Security Section, and Mr. Brennan has clearly demonstrated his ability to furnish guidance and direction under the supervision of the Section Chief to these operations on an over-all basis. Mr. Brennan is enabled to successfully carry out his current responsibilities in an above-average manner because of his extensive and thorough knowledge of all the ramifications of communism, not only in the United States but outside the boundaries of the country as well. He has demonstrated his administrative ability during the times he acted as Section Chief in the absence of the chief of the Section. During such occasions, he kept the Section operating at a high peak of efficiency.

This man is an excellent dictator, is interested and enthusiastic and has shared equitably in the work load of the Section. In addition, he has regularly volunteered for special assignments as they come up. He is well within the required weight limit.

In addition to his other duties, the Director has designated him to handle a number of public speaking engagements during the past year dealing with the subject of communism. He has done this most effectively as is attested by the many laudatory letters the Director has received commenting on his excellence as a public speaker.

SA Brennan entered on duty 4/19/48, is in grade GS-14, \$17,110, 43 years old, born in Atlantic City, New Jersey, married with 3 children, and has a BA Degree. Brennan was transferred from the field to Domestic Intelligence Division 1/30/56. On 6/15/61 he was designated Number One Man of the Central Research Section, Domestic Intelligence Division. On 1/2/62 he was considered for grade GS-15 but it was recommended that he not be promoted at that time although he had performed most satisfactorily as Number One Man, however, his Section Chief was in grade GS-15 at the time. The Director noted, "I concur. I think we should not have the #1 to Section Chief in the same grade as Section Chief." In January, 1964, he was designated Number One Man to Section Chief F. J. Baumgardner, Internal Security Section. Brennan's over-all record has been excellent. He was censured on only three occasions, the latest being in May, 1961. He has been commended on 17 separate occasions and in addition he received a cash award of \$300 in September, 1962; a quality salary increase in May, 1963; an incentive award of \$200 in December, 1963, in connection with his organizing the brief on the assassination of the President; and he received quality salary increases in May, 1964 and May, 1965. During the last inspection of Domestic Intelligence Division, the Inspector commented SA Brennan was fully qualified to continue his assignment as Number One Man and had excellent investigative and executive qualities. He was rated Excellent in his last annual performance rating and in that connection, as mentioned previously, he received a quality within grade increase in recognition of the superior manner in which he had handled his duties. His weight and overtime are satisfactory. His Section Chief F. J. Baumgardner is in grade GS-16.

RECOMMENDATION:

That SA Charles D. Brennan, presently serving as Number One Man, Internal Security Section, Domestic Intelligence Division, be promoted from grade GS-14 to grade GS-15.

SUBJECT: CHARLES D. BRENNAN
SPECIAL AGENT
NUMBER ONE MAN
INTERNAL SECURITY SECTION
DOMESTIC INTELLIGENCE DIVISION
EOD APRIL 19, 1948
GS-14, \$17,110
VETERAN, NOT IN RESERVE
NOT ON PROBATION
(RECOMMENDATION FOR
REALLOCATION TO GS-15)

Mr. Brennan has been a Number One Man to a Section Chief in the Domestic Intelligence Division since 6-19-61. He was Number One Man in the Central Research Section from 6-19-61 to 1-24-64, at which time he was assigned as Number One Man in the Internal Security Section. He is currently serving in this latter position.

During the entire time he has served as Number One Man in the Domestic Intelligence Division, Mr. Brennan has demonstrated a high degree of forcefulness. He possesses the quality of generating enthusiasm and high morale among his fellow employees. He has a broad understanding of policy matters, a talent for organization and administration, and his poise and confidence contribute to his effectiveness in his current position.

Since his assignment as Number One Man to the Section Chief of the Internal Security Section, he has performed in a manner which substantially exceeds the normal requirements and has regularly volunteered to assume additional responsibilities. He has been outstanding in his resourcefulness, judgment, initiative, industry, productivity, knowledge of duties, and executive ability.

As Number One Man he shares in the over-all administration of the Section. He makes assignments to Supervisors, confers with them concerning questions of policy on a day-to-day basis, and makes decisions concerning investigative matters which include highly sensitive security investigations being supervised in the Section.

Re: CHARLES D. BRENNAN

Mr. Brennan has acted as Chief of the Section in the absence of the Section Chief, and during such times has kept the operations of the Section moving at a high level of efficiency. He consistently shares equitably in the workload of the Section and has regularly volunteered to personally handle special assignments. He is well within the required weight limit.

As an indication of his sustained superior performance, it should be noted that Mr. Brennan received a quality within-grade salary increase on 5-10-64 and another such within-grade increase on 5-9-65. Mr. Brennan has demonstrated without question that he is qualified and interested in administrative advancement and that on an over-all basis he is performing his present job in an above-average manner. Dear Mr. Hoover:

Assistant Director W. C. Sullivan has personally presented to me your letter of September 15, 1965, advising me of my promotion to Grade GS-15 effective September 26, 1965. Needless to say I am deeply appreciative.

I would be less than frank if I failed to tell you that I have worked hard with the aim of obtaining such a promotion, and it is gratifying to know you feel my efforts warrant it. At the same time, receiving it fills me with a sense of humility and a feeling of indebtedness to many because, as you well know, in the Bureau no man stands alone. Our accomplishments arise from the combined efforts of many, and it is that characteristic of the Bureau which makes it both a pleasure and a privilege to be a part of the organization.

I want to thank you for this expression of your confidence in me and want you to know also of my determination to justify it.

Sincerely,

PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee Charles D. Brennan Title Special Agent GS-15
Rating Period: from 4/1/65 to 3/31/66

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

RATE ITEMS AS FOLLOWS:

- + Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
O No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

- "Outstanding" adjective rating requires (A) that all elements be + and (B) that each and every rated element be factually justified by narrative details, including reasons for considering each worthy of Special Commendation and be attached to FD-185a.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An official rating of "Unsatisfactory" must be supported in writing stating (1) wherein the performance is unsatisfactory, (2) the facts of the (90-day) prior warning, and (3) the efforts made after the warning to help the employee bring his performance up to a satisfactory level and must be attached to FD-185a.

The purpose of this memorandum is to recommend Special Agent Charles D. Brennan be promoted to Chief of the Internal Security Section, Domestic Intelligence Division. This position will become vacant at the close of business December 2, 1966, when the retirement of the incumbent, Section Chief Fred J. Baumgardner, becomes effective.

Mr. Brennan entered on duty as a Special Agent on April 19, 1948. He compiled an above average record as a Special Agent in the field and was transferred into the Domestic Intelligence Division as a Supervisor on January 30, 1956. He rapidly demonstrated he possessed above average executive ability, and on June 19, 1961, was promoted to the position of Number One Man to the Section Chief of the Central Research Section, Domestic Intelligence Division. He served in that capacity until he was transferred as Number One Man to the Section Chief of the Internal Security Section on January 24, 1964. He is currently serving in this latter position.

As Number One Man of the Internal Security Section Mr. Brennan has exhibited the qualities of leadership which dictate that he be promoted to the position of Section Chief. In considering him for this position it should be noted he possesses the quality of generating enthusiasm and high morale among his fellow employees. He has a broad understanding of policy matters, a talent for organization and administration, and his poise and confidence contribute to his effectiveness as an administrator.

Memorandum to Mr. C. D. DeLoach
Re: CHARLES D. BRENNAN

As Number One Man to the Section Chief of the Internal Security Section, he has performed in a manner which substantially exceeds the normal requirements and has regularly volunteered to assume additional responsibilities. He has been outstanding in resourcefulness, judgment, initiative, industry, productivity, knowledge of duties and executive ability.

He has knowledge in depth concerning the operation of the Internal Security Section. He currently makes assignments to Supervisors, confers with them concerning questions of policy on a day-to-day basis and makes decisions concerning investigative matters which include highly sensitive security investigations being supervised in the Section. In addition, he has acted as Chief of the Section in the absence of the Section Chief, and during such times has kept the operations of the Section moving at a high level of efficiency. He consistently shares equitably in the workload of the Section and has regularly volunteered to personally handle special assignments for the Division which are outside the responsibilities of the Internal Security Section. He is well within the required weight limits and he is available for assignment anywhere his services are needed. He makes an excellent personal appearance and is most effective in his contacts with others.

As an indication of this man's sustained superior performance, it should be noted he has received quality within-grade salary increases on May 10, 1964, and again on May 9, 1965. He has demonstrated without question that he is qualified and interested in administrative advancement and that on an over-all basis he is performing in his present job in an above average manner. In order that the vital security work of the Bureau being supervised in the Internal Security Section may be carried on with continuity, Mr. Brennan is the logical man to take over as Chief of the Internal Security Section.

RECOMMENDATION:

In view of the over-all superior job which Mr. Brennan is doing as Number One Man of the Internal Security Section, it is recommended that he be promoted to the position of Section Chief of the Internal Security Section.

Dear Mr. Hoover:

I have just returned from Atlantic City, New Jersey, after having had the pleasure of spending the Thanksgiving holiday with my parents. Upon my return, I received your letter of November 22, 1966, advising me you are promoting me to Grade GS-16 effective December 5, 1966. It came as a complete surprise, and I again find myself greatly indebted to you for this further expression of your confidence in me.

I would like to take this opportunity not only to thank you but also to tell you how much I enjoyed our recent discussion. I learned much from it, and you may be certain that as Chief of the Internal Security Section I will strive to bring all our efforts to bear on the points you stressed in connection with the problems confronting us in the security field.

It was very gracious of you to take time from your busy schedule to talk over these things with me, and I greatly appreciate the guidance you furnished me. As I told you on that occasion, I fervently hope you will be with us for a long, long time to come to continue to set the pace for us as you have done through the years.

With deep gratitude, I am,

Sincerely yours,

PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Charles D. Brennan

Name of Employee

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

RATE ITEMS AS FOLLOWS:

- + Outstanding (exceeding excellent and deserving of special commendation).
 E Excellent.
 ✓ Satisfactory (good or very good).
 - Unsatisfactory.
 O No opportunity to appraise performance during rating period.

Guide for determining adjective ratings:

- "Outstanding" adjective rating requires (A) that all elements be + and (B) that each and every rated element be factually justified by narrative details, including reasons for considering each worthy of Special Commendation and be attached to FD-185a.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An official rating of "Unsatisfactory" must be supported in writing stating (1) wherein the performance is unsatisfactory, (2) the facts of the (90-day) prior warning, and (3) the efforts made after the warning to help the employee bring his performance up to a satisfactory level and must be attached to FD-185a.

J. Edgar Hoover, Director
Federal Bureau of Investigation
9th and D Streets, N.W.
Washington, D.C. 20001

Dear Mr. Hoover:

Permit us to express our sincere thanks and gratitude to you and the Bureau for having made Mr. Charles D. Brennan, head of the Internal Security Section, available to us for a speaking engagement. Mr. Brennan spoke to our seminarians last Sunday evening, Dec. 4, for more than two hours on the subject of Communist attempts to infiltrate the United States of America. Since we had assured Mr. Brennan that his talk was strictly off the record and for the internal consumption of our seminary only, in order to brief these future priests and leaders of their communities on the dangers of the Communist menace he spoke very freely and therefore, very effectively. His lecture was a success from every point of view and reflected greatly upon the integrity and objectivity of the Bureau. We are certain that his talk will not only long be remembered by our seminarians, but that they will be influenced by it in their evaluation of world news reports.

We are particularly grateful to Mr. Brennan for bringing prepared packets of informative literature, including some of your speeches and pamphlets. These are very potent weapons with which we can wage our own war upon Soviet Communism, since, as you are no doubt aware, Americans of Ukrainian extraction are presently special targets of Communist attack, especially through the cultural exchange program. No doubt the "Literary Evening" at the Overseas Press Club in New York which featured two members of the Ukrainian Soviet Delegation to the UN, [redacted] has already come to your attention. At this "Literary Evening" poetry eulogizing Lenin and Castro was read and the audience, consisting also of college and university professors, applauded heartily. Our only answer and antidote to this poison is to be found in articles and speeches such as yours.

Permit us at this time to express personal admiration for your work Mr. Hoover. We are aware that much unjust criticism has been levelled at you and the Bureau. We want to assure you that we not only approve and endorse your work, but that we believe you to be a great American Patriot. May God bless you, your work and efforts on behalf of this, our beloved country.

With expressions of deepest respect,

Constantine Berdaz

Dear Mr. Hoover,

It was a great pleasure to me to hear from the two members of my Service, Mr. Roger BAUMBACH and Mr. Jean WEYDERT, on their return from the United States how much they appreciated their visit to the Bureau.

They told me of the most interesting and instructive talks they had with your agents in the field of operational procedures. Mostly impressed by the kindness and proficiency of your collaborators, they highly appreciated their discussions with assistant-director Bill SULLIVAN and Mr. Dan BRENNAN.

I am grateful to you for making this stay at the FBI possible and I want to thank you very much on this behalf.

Could I ask you to forward my thanks to Mr. Bill SULLIVAN, to Mr. Dan BRENNAN and to those agents that our two men had the privilege to meet during their stay with the Bureau ?

Dear Mr. Hoover:

I received your letter of November 2, 1967, commending me for supervision of the coverage of the recent demonstration which took place here in Washington. I appreciate your thoughtfulness in writing and want to thank you for your very generous comments. We in the Internal Security Section were proud and happy to have had the opportunity to make a major contribution to our country's interest, as well as to fulfill the FBI's responsibilities, and it is doubly gratifying to know that you approve of the manner in which we handled the assignment.

I took advantage of the opportunity to accompany Assistant Director Sullivan and we personally witnessed the activities at the Lincoln Memorial and at the Pentagon. If anyone were to ask me to sum up my observations of the demonstrators in one word, it would have to be "filth." They comprised a motley crew of morally corrupt individuals, and their joint traitorous behavior made me all the more conscious of the fact that we in the FBI have a tremendous job to do to protect this country from individuals like that who would so willingly destroy it. You may be certain that all of us in the Internal Security Section are dedicated to that objective.

On behalf of the staff and faculty of the United States Army Infantry School and the members of Infantry Officer Advanced Course Classes 1, 2, and 3, I extend sincere appreciation for your outstanding guest speaker presentation of 30 January 1968. I sincerely regret that other duties precluded my attendance at the presentation, but members of my staff have advised me of its timely content. I shall listen to a recording of it at a later date.

Your frank and penetrating analysis of Communist-inspired, subversive activities within the United States was a valuable addition to our continuing professional education. As military men, we must be ever alert to this threat, whether we face it in combat or in daily living. The Advanced Class members particularly benefited from your insights, for their generation will come to grips with this threat with increasing frequency.

OUTSTANDING ANNUAL PERFORMANCE RATING

The purpose of this memorandum is to recommend SA Brennan for recognition for his superior work in the last year as indicated by the attached Outstanding performance report.

It is certified that SA Brennan has performed the most important functions of his position in a manner which exceeds the normal requirement and that this exceptional level of effectiveness is expected to continue indefinitely. In addition, he is completely available and his overtime has been satisfactory.

SA Brennan EOD 4-19-48 and is in Grade GS 16, \$22,380. During the past year he was not subject of any administrative action and was commended twice, one of which was through a superior.

A careful review of this agent's performance rating and personnel file indicates that recognition is justified and a cash award under the Incentive Awards Program would be appropriate.

RECOMMENDATION:

That SA Charles D. Brennan be furnished a copy of his rating and afforded an incentive award of \$450.

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

RATE ITEMS AS FOLLOWS:

- + Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
0 No opportunity to appraise performance during rating period.

Guide for determining adjective ratings:

- "Outstanding" adjective rating requires (A) that all elements be + and (B) that each and every rated element be factually justified by narrative details, including reasons for considering each worthy of Special Commendation and be attached to FD-185a.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An official rating of "Unsatisfactory" must be supported in writing stating (1) wherein the performance is unsatisfactory, (2) the facts of the (90-day) prior warning, and (3) the efforts made after the warning to help the employee bring his performance up to a satisfactory level and must be attached to FD-185a.

Dear Mr. Hoover:

Assistant Director W. C. Sullivan has given me your letter of April 5, 1968, with a copy of the Outstanding performance rating you have approved for me, and advising that you also have approved an incentive award in the amount of \$450 for me. It is a distinct honor to receive such a rating, and I greatly appreciate your thoughtfulness and generosity in approving the award for me.

I would like to take this opportunity to tell you that anything extra I may have done to merit the honor you have bestowed upon me has been because of my growing appreciation of the values and standards established by you for the FBI's role in our society. I am more proud than ever to be a part of the FBI, particularly these days when all that the Bureau represents stands out in such sharp contrast to the blatant and rampant lawlessness sweeping across our land.

I truly feel that this Nation faces one of the most perilous periods in its history. Now, more than ever, it is absolutely imperative that those of us in law enforcement expend every possible effort to stem the tide of lawlessness and re-establish respect for law and order or our Nation will surely dissolve into a chaotic, anarchistic state. The Bureau must be in the forefront in the struggle, and it is reassuring to know we are strong and prepared because of the dedication of purpose you have instilled in all of us.

Sincerely yours,

Charles D. Brennan

Dear Mr. Hoover

Your graciousness in permitting Mr. Charles Brennan to serve as a luncheon speaker at the United States Air Force Chaplain Conference was most appreciated.

Mr. Brennan's ability to sketch the development of "The New Left" provided chaplains and guests alike with a greater appreciation of this complex movement. We are all the wiser for his fine presentation.

It is a source of encouragement for all of us to be reminded of the high quality of men who serve under your leadership. As you continue to guard our freedom from threats within, please be assured of our prayers.

I am scheduled to attend the Administrative In-Service Training commencing September 16, 1968. I feel it is absolutely necessary that I be scheduled for a later date in view of the current pressure of business.

As you are aware, we are still working on the brief requested by the White House regarding the Chicago Democratic Convention. Although this brief will be completed this week, there will still be considerable work relative to this Convention which may go on for many days. Further, my Number One Man has been transferred and it will be necessary for me to train a replacement. I would hesitate to leave the Section for any lengthy period of time until a new Number One Man has had a chance to familiarize himself with his duties.

RECOMMANDATION

In view of the foregoing, I recommend that my attendance at In-Service scheduled for September 16 be cancelled and that I be rescheduled at some future date.

Dear Mr. Hoover:

At the request of Abbot Gerald McCarthy, who fortunately was with us last Friday evening but who still is under doctor's orders which severely limit his activity, it is my privilege and pleasure to express for him and for all of us, our sincere gratitude for the presence at our Century Club Dinner of Mr. Charles D. Brennan, your Chief of the Internal Security Section, and for his outstanding and beneficial presentation on the subject of the "new left."

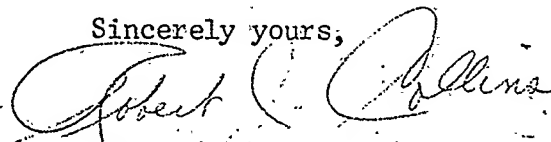

In a note of thanks to Mr. Brennan, I have reported to him that his address was very well received. Immediately following the dinner a great many comments were made which uniformly commended Mr. Brennan for his lucid and helpful presentation, and we have received additional laudatory telephone messages this morning.

For your information I am enclosing a copy of the dinner program and the post-dinner report that appeared in the Saturday editions of the Union Leader.

We regret very much the unfortunate accident which prevented Mr. Sullivan's attendance, and sincerely hope that he recovers quickly and fully.

Again, Mr. Hoover, our profound thanks for your cooperation and assistance, and our renewed good wishes for your continuing health and success.

Sincerely yours,

St. A Century Clubmen Hear Area FBI Chief

A high ranking official of the FBI told members of the St. Anselm College Century Club last night that the way to combat the thrust of the "new left" in their effort to destroy our way of life is to register your honest concern

and support, do what you can to build family life in our country and encourage and support the seven million hard-working, honest, loyal college students in our country."

Charles Brennan, chief of the Internal Security Division, Domestic Intelligence Section of the FBI outlined for the St. Anselm College supporters, the development of the so-called new left movement and said that the new left, as characterized by the Students for Democratic Society (SDS), is out to destroy our government without having the vaguest notion of what to replace it with if they were to succeed.

Advocate Violence

The SDS and like organizations, he contends, are openly advocating in their literature the violent breaking of our laws and Brennan fears that the next step for these organizations is the taking of the lives of those who oppose them.

Brennan was pinch-hitting for William C. Sullivan, assistant director of the FBI who was not able to be present because of an accident which hospitalized him. Some 200 members of the St. Anselm Century Club took part in the annual dinner meeting.

The veteran FBI operative, whose job it is to oversee surveillance of leftist activities in this country, pointed out that there are seven million fine, hard-working, loyal college students in this country. New left, he said, can claim a hard-core strength of only 10 to 15 thousand. But they pose a real threat because they gain peripheral support from many who are opposed to the war in Vietnam.

He hastened to say that all persons against our involvement and our conduct of the war in Vietnam are certainly not leftists and subversives, and that with the solution of the Vietnam conflict, that the new left would lose much of its seeming support.

The new left will use any issue which presents itself, Brennan said, to gain the support and sympathy of a segment of the population, and the leaders of the new left are not students at all, but leftist and subversives of long-standing who are well known to the FBI. He sees a long job ahead in combatting these elements, a job which will require the good-will and help of honest, committed citizens.

Governor King brought greetings of the state to the assembly, and characterized St. Anselm's as a "major factor in the educational life of this state." He lauded the school particularly for its initiative in developing the police training program, without public funds, but only out of a desire to serve the citizens of the state. He pointed out that many of the leaders of the state in all walks of life had obtained their education at St. Anselm's, encouraged all citizens to increase their support of private education.

Toastmaster was William J. Stoufenburgh of Ridgewood, N.J., chairman of the St. Anselm Board of Trustees. Other speakers included Rev. Placidus Riley, OSB, president of St. Anselm's, and Manchester business and civic leader Laurent H. Chalifour, co-chairman of the Century Club.

Dear Mr. Hoover:

On 7 January 1969 Mr. Charles D. Brennan participated in a seminar for all Armed Forces Chaplains in the Washington area. He spoke at the opening session on the subject "The New Left Movement" and also served as consultant in the small group discussions.

Mr. Brennan's keen insight, adroit analyses and deft application of "The New Left Movement" to current civilian and military issues made his timely presentation stimulating, thought provoking and challenging. His remarks elicited considerable discussion and opened totally new vistas of understanding related to our mutual concerns and responsibilities to the youth of our great nation.

My dear Mr. Hoover:

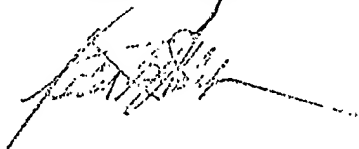

A short time ago I wrote you about the outstanding talks Chick Brennan had given at our regional meetings in Delevan, Wisconsin, and Williamsburg, Virginia.

We had a much larger meeting on the West Coast at Pebble Beach, and once again he did a truly superior piece of work, both for us and for the FBI.

The audience was made up of virtually all of the leading West Coast steel industry people and their wives, and the audience proved exceptionally receptive. In the morning he gave a very fine talk to a combined group of men and women, and he then conducted a question-and-answer session for approximately two hours with the wives. There was such a deep interest in his subject matter that he could have gone much beyond that time, but we finally had to shut off the questions.

We certainly want to thank you for permitting Chick to spend so much of his valuable time with us. It was a real contribution!

OFFICE OF THE SECRETARY OF DEFENSE
RESERVE FORCES POLICY BOARD
WASHINGTON, D. C. 20301

Hon. J. Edgar Hoover
Director
Federal Bureau of Investigation
Department of Justice
Washington, D. C. 20535

Dear Mr. Hoover:

As you may know, by act of Congress in 1952, now section 175 of title 10, United States Code, the Reserve Forces Policy Board is the principal policy adviser to the Secretary of Defense on matters pertaining to the reserve components of the armed forces. A copy of that part of the law, and the Board's roster, are enclosed.

There is also in this office an Advisory Panel on ROTC Affairs composed of distinguished educators whose institutions conduct ROTC programs. A Panel roster is enclosed.

The substantial and increasing adverse impact on ROTC resulting from the dissident activities of the NEW LEFT and associated groups is of great concern to both the Panel and the Board. Therefore, I am asking the members of the Panel to meet with the Board, in the first such joint session, as part of the Board's next regular meeting, in the morning of Friday, February 28.

Because of your Bureau's role in the matter, and the knowledge which you and your staff have concerning these campus-connected factors affecting ROTC, may I ask if you or some member of your staff would meet with us in the morning of February 28 to inform us about the individuals and groups who are having disruptive and harmful effects on the ROTC on our campuses. I appreciate that your duties may well preclude your acceptance of this invitation, but, if so, I trust that you will approve having someone of your staff brief us and discuss the subject with us.

One such person is Mr. Charles Brennan whose superior presentation to the Advisory Panel on ROTC Affairs in its December 1968 meeting I want here to acknowledge, commend, and thank you

PERS. REC. UNIT

for. The Chairman and members of the Panel praised and appreciated Mr. Brennan's helpful discussion with them.

You may wish to know that all members of the Board, the Panel, and our staff (roster enclosed) hold Top Secret security clearances. Also, should you wish, the February 28 meeting can be in executive session, which will confine attendance to Board and Panel members and our own (Board) staff.

The Board would learn much from the proposed briefing, on February 28, that would contribute to its formulation of advice to the Secretary of Defense. However, there are, I believe, added values to be gained. In view of the public dissension I am convinced that any knowledge or enlightenment about this subject given to civic and military leaders like those who compose the Reserve Forces Policy Board is of significant value to the nation.

I am looking forward to your reply which I trust will be favorable. Should your staff wish to pursue this matter, they may call either Major General John S. Patton (OXford 7-5253) or Mr. L. Eugene Hedberg (Oxford 7-4486).

Sincerely,

The purpose of this memorandum is to recommend that Charles D. Brennan, Chief of the Internal Security Section of the Domestic Intelligence Division, be awarded the over-all adjective rating of Outstanding for his performance during the period 4/1/68 - 3/31/69.

During the above rating period Mr. Brennan has served constantly as Chief of the Internal Security Section. While the work in this area of the security field has always been heavy, responsibilities and resultant problems have steadily increased with the advent of student agitation and the wide-range activities of the New Left. Mr. Brennan has afforded deep consideration as to the handling of a situation that may be worse before it is better and as a result has made excellent suggestions for the improvement of his Section's operations. Changes brought about have always streamlined procedures and made personnel more effective and productive. Mr. Brennan's contributions to the over-all work of the Division have been many and are easily recognizable.

Mr. Brennan is completely available and has no physical limitations. He has not been the subject of adverse administrative action but has been commended by the Director during the rating period. His overtime average has well exceeded that of the Division for 8 out of the past 12 months.

He is an unusually good public speaker and has willingly traveled out of the city to represent the Bureau. Some of these trips involved weekends and holidays, but Brennan has never displayed concern for personal interests.

RECOMMENDATION:

In view of his outstanding performance, it is believed this adjective rating should be reflected on his report for the period. Such a rating in duplicate is attached for suggested approval.

Dear Mr. Hoover:

On March 13, 1969, Section Chief Charles D. Brennan, Internal Security Section, Domestic Intelligence Division, spoke before the National District Attorneys Association Convention at Las Vegas, Nevada. This represented the major speech during the convention and was given at the noon banquet. Mr. Brennan spoke on the topic of "Violence on American Campuses." I was among the audience of over 500 people who heard the speech.

I thought you might like to know that there has been an extremely favorable reaction to Mr. Brennan's talk. Any number of local officials, including the host-district attorney, have commented in glowing terms concerning Mr. Brennan's splendid presentation. All three local television channels, in addition to two out-of-town channels, carried approximately 3 minutes of Mr. Brennan's talk on evening and morning newscasts. Comments in the local press the following day were uniformly favorable.

There can be no doubt that Mr. Brennan's outstanding presentation has served to further enhance a fine image of the FBI. He certainly conducted himself in the best tradition of the Bureau.

Sincerely,

Harold E. Campbell Jr.

PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee Charles D. Brennan

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

RATE ITEMS AS FOLLOWS:

- + Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
0 No opportunity to appraise performance during rating period.

Guide for determining adjective ratings:

- "Outstanding" adjective rating requires (A) that all elements be + and (B) that each and every rated element be factually justified by narrative details, including reasons for considering each worthy of Special Commendation and be attached to FD-185a.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An official rating of "Unsatisfactory" must be supported in writing: stating (1) wherein the performance is unsatisfactory, (2) the facts of the (90-day) prior warning, and (3) the efforts made after the warning to help the employee bring his performance up to a satisfactory level and must be attached to FD-185a.

Dear Mr. Hoover:

Mr. Charles D. Brennan of your Domestic Intelligence Division made a presentation today to the United States Steel Good Fellowship Club. His topic, "The New Left Militant Movement", was, of course, of great interest to the members of the Good Fellowship Club. Speaking as a non-officer member of the Club, I want you to know what an outstanding job Mr. Brennan did in conveying a measure of understanding on this complex topic.

As was indicated by Mr. Brennan, many fine causes are used to camouflage nihilistic activities. Isn't there some way the FBI or other group in the Department of Justice can do a better job in getting this message across to the general public?

Dear Mr. Hoover:

May I express my appreciation to you and Mr. Charles D. Brennan, Chief of Internal Security Section, for the excellent presentation that he made on April 16 to the U. S. Steel Good Fellowship Club.

Mr. Brennan was both knowledgeable and articulate on his subject, "The New Left Militant Movement." I am sure that he brought home to the several hundred persons in attendance the necessity for each, as a citizen, to be better informed on this subject than is possible through casual attention to the reports of the news media.

I wish that Mr. Brennan's message could be conveyed in this manner to all responsible citizens. Perhaps, if it were, the vocal small minority would cease to exert influence completely out of proportion to their numbers.

On April 16, Mr. C. D. Brennan of the Bureau addressed the Good Fellowship Club of the U. S. Steel Corporation in Pittsburgh. This is a management group of U. S. Steel and there were some 450 middle and top management executives of U. S. Steel who heard Mr. Brennan discuss the new militant left.

SAC, Pittsburgh was in attendance and the tremendous reception given to Mr. Brennan's lecture was most heartening. Mr. Brennan made a tremendous impression on this high-level group --- truthfully, you could almost hear a pin drop while he was talking, so attentive was the group.

It is recommended that Mr. Brennan be commended for the fine impression that he created and the many friends that he made for the FBI on this occasion.

On April 18, former SAC George King, now in the personnel department of U. S. Steel in Pittsburgh, advised SAC MacLennan that he had received many favorable comments concerning Mr. Brennan's appearance. He stated that the reports reaching Chairman of the Board Edwin Gott and President Edgar Speer of U. S. Steel, were such that they desire to convene a meeting in Pittsburgh in the very near future of their top personnel people from all over the United States. King advised that Messrs. Gott and Speer were hopeful that the Bureau would assign Mr. Brennan to make an appearance before this top personnel management group to give them a briefing similar to his appearance before the Good Fellowship Club.

Both Mr. Gott and Mr. Speer are extremely concerned with the possibility that the Students for a Democratic Society and other new left groups will attempt to gain a foothold during the occasion of summer employment at U. S. Steel plants. According to Mr. King, U. S. Steel annually hires literally thousands of college students as extra workers in their plants during the

"STUDENTS FOR A DEMOCRATIC SOCIETY" PLAN SUMMER WORK-IN AT MANUFACTURING PLANTS

The Students for a Democratic Society (SDS), who have distinguished themselves thus far with their radical left-wing disruptive activities on the nation's campuses, are apparently preparing to try to branch out into manufacturing plants. The attached student summer work-in plan, published verbatim, is interesting reading and food for serious thought.

It is to be hoped that this SDS program will not prejudice the chances of college students to obtain summer employment in industry, since SDS is a very small minority of college students. But employers should be alert to the problems posed by this program, and should make plans as to the best manner of handling suspected trouble-makers in their plants.

E. EDGERTON HART,
Executive Vice-President

S.D.S. STUDENT SUMMER WORK-IN

Student concern about poverty, poor education, the war, etc. has grown considerably on college campuses around the country. The desire to make meaningful changes can be seen in the growth of such programs as Free Universities, Tutorial programs, anti-draft unions, and the like. Students have won many small victories. But nevertheless, students are isolated. We have ignored the largest section of the population: the workers.

As intellectual students who seek certain social changes we must begin to ally ourselves with the workers. We should not and cannot remain in our 'ivory tower'.

In order for any student-worker alliance to come into existence, we must face squarely the misconceptions we may have regarding worker apathy. With the current strike levels higher than since the depression we see clearly that the workers are not apathetic. The Workers ARE on the move.

S.D.S. is planning a program that will help students get summer jobs in an attempt to break down the barriers that are keeping students isolated. Students involved in the Summer Work-In will meet regularly to discuss their on-the-job experiences; contradictions they may face, how to speak to certain issues, conclusions drawn from their experiences with workers. The student Summer Work-In is an opportunity for students to learn from workers.

I. How to Research Jobs in Your Area

Manufacturing—A Directory of Manufacturers (from the library or Chamber of Commerce) lists plants, number employed, and sometimes a breakdown as to male and female employees.

Transportation, utilities, hospitals—Consult phone book or ask librarian for any other directories. Also try union hiring halls.

II. What Jobs to Look For

Job-seekers should try to get hired in places that have several hundred workers. Reasons for this include: a) if we want to distribute literature, the potential is greater; b) the larger the company, the better chance of a basic union, that the workers will have a sense of organization (even if the union is a sellout one), that there will be a tie-in to workers nationally; c) in large plants in national unions there is a better chance that workers will become part of (and have a history of) mass strike movements, rebellions against sellout leadership, conflict with the gov. due to "national interest" injunctions, which might create the basis for greater mutual exchange about questions relating to opposition to gov. policies; d) the larger the company the likelier the existence of masses of unskilled jobs which we can fill, especially as replacements for workers taking vacations. If at all possible, choose a plant in the area of your school, to facilitate the possibility of worker-student alliances later on.

If you are white, select a plant where the majority are white. While Black workers might be thought of as more politically conscious, what we are trying to do is to reach white workers on the questions of the war and racism, to name but two areas. If Black, a student should get a job with Black workers; women should give special consideration to jobs where many women are employed (such as electrical industry, department stores, phone).

III. How to Get a Job

Some places hire students specifically for the summer as replacement for workers on vacations (altho usually bosses try to get by with not filling in, unless the union contract has specific stipulations and they are enforced). Most won't hire a student, and in most cases it would be best not to mention

This was truly one of the most outstanding presentations I have ever heard on the New Left. In addition, the numerous comments which were made personally to me regarding this tremendous lecture were a great tribute to the Bureau and to Mr. BRENNAN.

He made a great impression on those in attendance, and the effort and time expended were certainly worthwhile. It was not only the information that Mr. BRENNAN imparted, but also his remarkable delivery which made this so unique.

I want to thank the Director for allowing us the privilege of having Mr. BRENNAN appear. It certainly enhanced the Bureau's image.

Dear Mrs. Conser:

I have received your letter of June 15th wherein you request that either Special Agent Charles D. Brennan or another representative of this Bureau address your Women's Republican Club sometime between January and March, 1970. While I wish it were possible to give you an affirmative answer, it is not probable that Mr. Brennan and my other associates who normally speak on the topic of communism would be able to appear even if tentative arrangements were made at this time. Experience has shown that the uncertain nature of their official schedules precludes making plans so far in the future. I am sure you will agree that it would be most unfair to indicate an acceptance and be unable to appear because of some unforeseen matter.

Dear Mr. Hoover,

Last year there was such enthusiasm by members of the Women's Republican Club of New Trier Township who heard Mr. Charles Brennan of the F.B.I. speak on "The New Left" at the Midwest Regional Meeting of the Steel Service Center in Delavan, Wisconsin that we felt we must have him to speak before our group. I wrote a request to him, and received a reply from you stating that the pressures of his official schedule precludes his accepting any additional commitments at that time.

It seems our Board has a memory like the traditional Republican elephant that symbolizes our party. We are still hopeful that Mr. Brennan might speak to our group, and respectfully request that you might see if his schedule would permit his appearance at a meeting sometime between January and March of 1970.

Should it again not be possible for Mr. Brennan to commit himself to an appearance with us, we would be most appreciative if you could recommend another F.B.I. speaker who could come and give us a message along the lines of Mr. Brennan's speech at Delevan.

Thank you so very much for your time in answering our request.

I have received your letter of May 14th and appreciate your favorable comment regarding the presentation of Special Agent Charles D. Brennan.

The concern which prompted you to contact me is understood. The FBI conducts a considerable amount of investigation regarding the activities of those individuals and organizations which seek to undermine our basic freedoms and threaten the internal security of our country. We furnish the results of our inquiries to the Department of Justice which has the responsibility for determining whether prosecution is warranted in these matters.

Dear Mr. Hoover:

A series of incidents occurred recently in our Fairmont High School which leads me to conclude that this nation needs new educational approach to the menace of communism. Perhaps you can help, or lend advice.

In one class attended by my daughter, who is a senior, a young practice teacher was defending the flag burners. The next day SDS (Students for a Democratic Society) were discussed and the class, and especially the teacher (a different one) played down the importance of SDS. That evening my daughter asked me for information on this group and I gave her several items, mainly writings of yours. With these she then proceeded to connect SDS indirectly with communism. Then she was confronted by the entire class asking, "So what? What is so wrong with communism?" That night I again gave her more information and she was allowed a great part of the class time the following day to present this. At the conclusion she had rather well convinced the class, and it seemed to her, the teacher.

This exchange of information became a topic of conversation around school and the comment has come back to me from different sources, "If Debra (my daughter) is so right in her information why are we not taught this in regular classes? Why does this information about communism have to come from one of the students?"

I have discussed this matter with the principle and he recognizes a need for such training, but the problem is to get instructors properly trained. I asked if he would like for a member of the Federal Bureau of Investigation to come into his school and present this information and he said he would welcome such a source. Most other sources, however, are somewhat subject to question, but the FBI would be trusted in this matter. I have contacted your St. Paul office and am now awaiting a reply as to whether or not they can supply such a speaker, and this is the point of this letter.

Would it be possible for the FBI to speak, or to train speakers, to come into the schools of this nation and fill this crucial need to inform these students of such national threats as communism? This would seem almost a priority matter. I understand your tremendous work load, but it is my hope that somehow this may be done. I believe the FBI could present this information better than any other group for it would have the proper "authority". If we continue to produce students who "can see nothing wrong with communism" I see little hope for this nation. Any comments, and, or, suggestions would be greatly appreciated. Last winter I hear Mr. Charles D. Brennan of your Washington office speak on "The New Left". His information was excellent.

Mr. Brennan's presentation, "The New Left," was in keeping
with what we expect of the FBI. His speech and movie were

TO : DIRECTOR, FBI ATTN: TRAINING DIVISION

FROM : SAC, CHICAGO (80-260)

SUBJECT: FBI NATIONAL ACADEMY
ASSOCIATES RETRAINING SESSION
FOR 1969 (ILLINOIS CHAPTER)

C. D. BRENNAN

Re Chicago letters dated 4/4/69 and 4/29/69.

Captioned Retraining Sessions were held as scheduled on 5/2 and 3/69 at Chicago, Illinois, with approximately 58 National Academy members in attendance.

The meeting was opened by remarks from the President of the Association, DON R. DERNING, Chief of Police, Winnetka, Illinois, and the SAC, Chicago. Chief DERNING as always, was most complimentary of the Director and the FBI, and commented on the leadership in law enforcement constantly given by the Director and the FBI. His comments were most complimentary of the Director and the Bureau as well as the Springfield and Chicago Offices.

At every law enforcement meeting which I have occasion to attend, the highlights of the meetings are always the appearance of FBI personnel. This meeting was certainly no exception.

SAC WILLIAM B. SOYARS, Jr., Springfield Office and the SAC, Chicago, are deeply grateful to the Director for permitting a speaker to come from headquarters to speak on a very vital subject; namely, the New Left. Throughout the meeting comments were constantly made by the National Academy Associates who were present, expressing their high regard for the Director for his constant and brilliant leadership in law enforcement. Every officer present expressed

gratitude to the Director for alerting them to the problems in the area of the New Left. Supervisor CHARLES D. BRENNAN from FBI headquarters did a truly magnificent job in presenting this subject matter to this gathering. His presentation left absolutely nothing to be desired and numerous comments were heard indicating that once again the Director and the FBI have proved that they truly are the leaders in law enforcement and "know what is going on." BRENNAN's appearance not only enhanced the Bureau in the eyes of those present but will make the job much easier for the Springfield and Chicago Offices because of the fact that the officers present have a much better understanding of the problems facing our country in this vital area. Mr. BRENNAN frankly kept the audience spellbound and they were tremendously impressed. The above was certainly a major highlight of the Session.

Another highlight was the speaking appearance of SAC WILLIAM B. SOYARS, Jr., Springfield Office, on 5/3/69. This was his first attendance at a National Academy meeting in the State of Illinois, and from the comments made from those in attendance, he certainly was well received. He also did a magnificent job and further enhanced the work of the Bureau in the State of Illinois.

At the business meeting held on 5/3/69, the following officers were elected for the coming year:

President	Major ALBERT S. HINDS Ill. State Police Springfield, Illinois 62700
First Vice President	Chief of Police (COP) JOHN B. KISTNER Cook County Sheriff's Police Department Chicago, Illinois 60602
Second Vice President	DAVE PEARSON Executive Director, Ill. Bureau of Race Track Police, 160 North La Salle Chicago, Illinois 60601
Third Vice President	COP MICHAEL BONAMARTE Highland Park Police Dept. Highland Park, Ill. 60035

All of the above officers have indicated their great admiration for and loyalty to the Director and the FBI.

Two resolutions were presented by President ALBERT HINDS and were unanimously approved. The first resolution commended the Director for his leadership in law enforcement, for his cooperation with all law enforcement, especially the National Academy Associates, for his permitting Mr. CHARLES BRENNAN to appear on the program, and in addition, congratulated the Director on his 45th Anniversary on 5/10/69.

The second resolution commended the SACs of the Springfield and Chicago Offices, and the Police Training Coordinators of both offices for their continued assistance given to law enforcement agencies in the State of Illinois and particularly the National Academy Associates.

The Illinois Associates changed the yearly meeting to read during the month of May, rather than during the first week of May.

HERBERT D. BROWN, Director, Illinois Department of Public Safety, Springfield, Illinois 62700, was the guest speaker at the banquet. Mr. BROWN's speech was well received by those in attendance. He quoted from the Director's speeches during this talk.

The meeting place was an exceptionally fine location and the facilities available were conducive to excellent association and study.

There is no question from the comments made by those in attendance that the FBI continues to maintain its leadership in law enforcement and in training in the State of Illinois.

Recommendations:

1) COP DON DERNING, Winnetka, Ill. Police Department, has done an outstanding job as President of the National Academy Associates, State of Illinois, during the past year. He is an extremely dedicated and loyal individual towards the Bureau, who lectures at the National Academy, is one of

the Vice Presidents of the Intern'l Association of Chiefs of Police, past President of the Illinois Chiefs' Association, and will without question be one of the top leaders in law enforcement on the local level in the United States in the future. It is recommended that a letter of appreciation be forwarded to him by the Director for his outstanding work as President of the National Academy Associates, State of Illinois, during the past year. His letter should be sent to the following address:

DON R. DERNING
Chief of Police
Winnetka Police Department
Winnetka, Illinois 60093

2) It is recommended that a letter of congratulations be forward to Major ALBERT S. HINDS in connection with his election as President of the National Academy Associates, State of Illinois for the coming year. HINDS also is extremely loyal to the Director and the Bureau and I am sure will perform in an outstanding manner. His letter should be sent to the following address:

Major ALBERT S. HINDS
Illinois State Police
Springfield, Illinois 62700

3) It is recommended that a letter of congratulations be forwarded to COP MICHAEL BONAMARTE, Highland Park Police Department, in view of his election as Third Vice President of the National Academy Associates, State of Illinois. BONAMARTE is a strong backer of the Director and the FBI and will do an outstanding job in this position. The letter should be sent to the following address:

Chief of Police
MICHAEL BONAMARTE
Highland Park Police Department
Highland Park, Illinois 60035

There is nothing in the files of the Chicago or Springfield Offices which would preclude the advisability of forwarding such letters.

Dear Mr. Hoover:

Today, Law Day, I had the privilege of hearing Mr. Charles D. Brennan, Chief of the Internal Security Section, speak before the First Friday Club of Cleveland on the topic "New Left". Mr. Brennan's appearance was in conjunction with Law Day recognition sponsored by the Legal Profession of Greater Cleveland.

His presentation was outstanding in every respect, and was well received by the approximately 800 people who attended. Your thoughtfulness in making Mr. Brennan available to us in Cleveland has certainly enhanced the Bureau's image, not only in this area, but throughout the country. The individuals who heard Mr. Brennan were primarily in the legal profession--judges, attorneys and business leaders of the community, and all commented without hesitation that Mr. Brennan's performance was outstanding. Many mentioned that we are in good hands as long as you are directing the Bureau.

In addition, I had the opportunity to meet with Bishop Fulton J. Sheen, who was in Cleveland today to celebrate a special mass in recognition of Law Day. At the request of Reverend Francis X. Barrett, Assistant Superintendent of Secondary Education on behalf of the Catholic Education Association of Pennsylvania, Charles D. Brennan of the Domestic Intelligence Division appeared at that organization's State Convention in Pittsburgh on October 10th.

Mr. Brennan's presentation was received with a tremendous ovation and he was detained for ninety minutes after his speech answering questions from the floor. This outstanding reception of Mr. Brennan's address and the excellent manner in which he appeared on a TV special program prior to this speech attest to his professional competence and he reflected great credit upon the Director and the FBI.

I feel sure that this forum was highly impressed by his extensive and perfect knowledge of his subject and went away much better prepared to cope with the incursions of the SDS and the new left into the school systems.

Dear Mr. Hoover:

October 17, 1969

On October 15 and 16 I had the pleasure of attending the Industrial Security Management course sponsored by the Police Chiefs Association of Southeastern Pennsylvania, and as a member of this association, I want to thank you for making available Mr. Charles Brennan from the Bureau and also Agents John W. Reinhard, David W. Breen and Walter V. McLaughlin to participate in this program.

Agent McLaughlin was instrumental in organizing and planning the program and did a magnificent job discussing the subject, "The Sex Offender and Industrial Security." Mr. Brennan did an outstanding job discussing "SDS Activities in Private Industry," and he impressed everyone with his intimate knowledge of subversive activities. Agent Reinhard discussed the NCIC and its importance to law enforcement, and the subject of gambling and shylocking was handled by Supervisor David W. Breen of the Philadelphia office. Both did an excellent job and the lectures were well received.

I thought that the entire program was an outstanding success and we are all indebted to you for the fine work by the Special Agents mentioned above.

With best wishes and kind regards,

Norman H. McCabe

Dear Mr. Hoover:

You wrote me on November 14, 1968, making Special Agent, Charles D. Brennan, available to the Management Club of the U. S. Steel Corporation in Chicago for a presentation of "The New Left". You perhaps have heard that due to an unfortunate transportation problem, Mr. Brennan was not able to be with us on January 23, as originally scheduled. Mr. Marlin Johnson did, however, offer his service and with no forewarning did an excellent job in describing to our group the functions, duties and responsibilities of the F.B.I. His presentation was received warmly by all of our membership.

We were fortunate in rescheduling Mr. Brennan to address our meeting on June 12. His presentation too was excellent and of great interest to our members. I know that all of those present left with a much better understanding of what is probably one of the most complex and controversial matters of the day.

I am writing to thank you for the wonderful job both of these men did. They are a credit to your fine organization and did much to reinforce the reputation of the F.B.I. and the people who implement its activities.

Many thanks again for your help and cooperation.

Sincerely,

J. P. Bacon:crk

Dear Boss:

I received your note of October 21st concerning my recent speaking appearance before the Catholic Education Association of Pennsylvania. It was very thoughtful of you to write, and I appreciate your kind comments concerning my appearance there.

I feel that it was a very worthwhile speaking commitment and served the Bureau's interest well. The audience consisted of about 4,000 responsible educators and their program was objective and well organized. Many of those present expressed their appreciation for your cooperation in making a speaker available and many not only expressed their complete confidence in you, but also the desire that you continue on as head of the Bureau for many years to come.

Sincerely yours,

C. D. Brennan
